About Us

My name is Bryan Blakeny, founder of E.Q. Education. Our gift for helping lift your pain, realize your dreams, resolve conflict, and guide you into greater happiness is combined with years of success as well as professional licensure.

I look forward to meeting you and sharing the joy I have for my work- a joy that uplifts people and empowers them to look beyond problems and realize amazing solutions.

The Hallmark of my practice and beliefs are reflected in the following quote by Baha'u'llah:

"Regard man as a mine rich in gems of inestimable value. Education can, alone, cause it to reveal its treasures and enable mankind to benefit therefrom."
